MERMAID FREEDIVE

The yearbook

the STORY

Mermaid Freedive was founded by professional mermaid Brandee Anthony in the summer of 2019 as a way to connect mermaiding and freediving into unique training experiences. Mermaid Freedive offers all inclusive retreats, various PADI mermaid and freedive courses, PADI Mermaid Instructor courses, mentoring, photography and videography, career and travel opportunities.

Vero Beach Mermaid - Brandee Anthony is the founder of the Mermaid Freedive. She is a professional mermaid, photographer, PADI Mermaid instructor trainer and social media influencer with over 1.8 million followers and 4 businesses of her own. Brandee is also an acro yoga teacher with her partner Zeke Motta, a certified hypnotherapist and a YTT 200 yoga teacher. Brandee believes in constant growth and connection through creative facets like these retreats.

This year book celebrates the incredible students that have gone through our school for Mermaid, Advanced Mermaid Instructor and Freediver. This is an exceptional group of individuals that we are so proud to work with!
This does not include discover or basic mermaid or photography clients.
